

# Gaesdonck Parents' Letter

No. 13/2024-25

21.02.2025

Dear Gaesdonckers

From a finally somewhat warmer and sunny campus, we send you a short greeting for the weekend with a note about our

## Studium Generale on 18 March 2025.

A Studium Generale could hardly be more topical. As already announced in the last parents' letter, we have succeeded in winning over a recognised expert on questions of transatlantic relations for an evening at Gaesdonck in the now proven partnership with the German Atlantic Society and the Air Component Command at the Kalkar-Kleve military base.

On 18 March at 7.30 pm, the former Federal Minister of Economics and Technology and later Federal Minister of Defence, **Karl-Theodor zu Guttenberg**, will be giving our winter lecture on the

*Current situation and prospects in the transatlantic relationship.*

He is certainly an exceptionally exciting speaker with many insights. We are therefore delighted about the great interest shown by our students in this evening. The flip side of the coin is that due to the high number of registrations from our students, there are only a very limited number of places available for guests.

If you would like to be there, take your chance: tomorrow, **Saturday 22 February 2025**, you can register for the event with a maximum of two people **from 09.00 a.m.** via the QR-code beside using the Gaesdonck account of your child. As soon as the available places have been allocated, the list will be closed.
